4. Exhibit Space Cost

Exhibit space will be rented at the rate of \$25.50 per square foot, or \$2,550 per 10' x 10' booth. A \$200 per corner surcharge will be levied for all corner booths. All spaces are sold in 10'x10' increments. This rate includes a 7" x 44" booth identification sign (in-line and perimeter booths) and pipe and drape for in-line and perimeter booths.

No space will be assigned without a deposit of 25% of the total cost and the completed Space Application and Contract. All space must be paid for in full by May 29, 2015. Applications submitted after May 29, 2015, must be accompanied by full payment of exhibit space fee. If assigned space is not paid for in full by May 29, 2015, it may be reassigned to another Exhibitor at the option of ASHRM without refund of deposit. Full payment of booth space is required in order to gain access to the exhibit floor.

5. Space Assignment

Exhibitors are encouraged not to concentrate all space choices in one area of the floor plan. The priority point system outlined below will be used to assign exhibit space for received at the 34th Annual Conference & Exhibition after which all space will be assigned on a first-come, first-served basis.

Exhibit Participation:

- 1 point for each 10x10 booth for the current year
- 1 point for participation as an Exhibitor for each year, beginning with the 1996 Annual Conference & Exposition through 2014.

There is a one year grace period for exhibiting. Exhibitors may miss one year and all points (beginning with the first year that your company participated) will count. If there has been no participation for two consecutive years, only the participation leading up to the current show year will be considered when the company begins exhibiting again. E.g., if a company participated in 1996 and has not missed two consecutive years, all points (1 point per year exhibited) will count. If a company participated from 1996 to 2001, missed 2002 and 2003 and started participating again in 2004, only the points earned beginning with the 2004 show will count.

**American Society for Healthcare Risk Management (ASHRM)
of the American Hospital Association (AHA)
Contract Conditions / Rules & Regulations
35th Annual Conference & Exposition**

Sponsorship Participation:

Points are determined by sponsorship level (see below). Sponsorship points are non-cumulative and are based solely on current sponsorship investment:

Sponsorship Level	Sponsorship Investment	# of Points
Platinum	\$30,000+	7
Gold	\$20,000 - \$29,999	5
Silver	\$12,000 - \$19,999	3
Bronze	\$7,500 - \$11,999	2

If more than one company shares the same number of priority points, selection order is determined based on receipt date/time of contract. Because it is nearly impossible to contact all Exhibitors for new selections of booth space, ASHRM reserves the right to assign the next most suitable space when the requested space is not available. ASHRM also reserves the right, at its sole discretion, to modify the floor plan to accommodate space sales or to avoid conflicts, and, should conditions dictate, ASHRM reserves the right to adjust the floor plan and relocate exhibit booths as necessary. If deposit payment is not received with contract prior to space selection, your company will not be included in the priority point assignment. The preferences given for booth space locations are guidance and are not guaranteed by ASHRM.

10. Booth Construction

Standard Inline Booth

Inline booths have only one side exposed to an aisle and are generally arranged in a series along a straight line. Individual booths may be combined to form a larger inline booth space.

Dimensions

For purposes of consistency and ease of layout, all inline booths are 10' (3.05m) across the front and a depth of 10' (3.05m).

Use of Space

Regardless of the number of inline booths utilized, e.g. 10' by 20' (3.05m by 6.10m), 10' by 30' (3.05m by 9.14m) etc., exhibit fixtures should be arranged in such a manner as not to obstruct sight lines of neighboring Exhibitors. The maximum height of 8' (2.44m) is allowed in the rear of the booth space, with a 4' (1.22m) height restriction imposed on all exhibit fixtures within 5' (1.52m) of an aisle. When two (2) or more inline booths are used in combination as a single exhibit space, the 4' (1.22m) height limitation is applied only to that portion of exhibit space which is within 10' (3.05m) of an adjoining booth.

Corner Booth

A corner booth is an inline booth exposed to aisles on two (2) sides. All other guidelines for inline booths apply.

Perimeter Booth

A perimeter booth is an inline booth that backs up to an outside wall of the exhibit facility rather than to another exhibit. All guidelines for inline booths apply to perimeter booths with the exception that the maximum back wall height is 12' (3.66m).

Peninsula Booth

A peninsula booth is exposed to aisles on three (3) sides and composed of a minimum of four (4) booths. Backwalls must be finished and cannot contain copy. There are two (2) primary types of peninsula booths: one which backs up to inline booths and one which backs up to another peninsula booth and is referred to as a split island booth.
