

★ CELEBRATING 35 YEARS ★

ASHRM HRM WEEK

JUNE 15-19, 2015

of DRIVING SAFE & TRUSTED HEALTHCARE

safe and trusted healthcare

A personal membership group of

Driving Safe and Trusted Healthcare

All healthcare workers play a critical role
in patient safety

- IDENTIFY:** Identify risks in your department that could be preventable, serious safety events.
- COLLABORATE:** Talk to your healthcare risk manager about how you can help avoid these risks.
- ADVOCATE:** Talk to your healthcare risk manager about how you can help avoid patient safety risks.
- LEARN:** Learn more about risk management and its professionals. Join ASHRM at www.ashrm.org today.
