

American Society for Health Care Risk Management

HRM WEEK

JUNE 21-25, 2021

- IDENTIFY:** Identify risks in your department that could be preventable, serious safety events.
- COLLABORATE:** Talk to your health care risk manager about how you can help avoid these risks.
- ADVOCATE:** Talk to your health care risk manager about how you can help avoid patient safety risks.
- LEARN:** Learn more about risk management and its professionals. Join ASHRM at www.ASHRM.org today.

Prepared for the Present, Planning for the Future
