RISK PROFESSIONALS

Stable, Strategic Solutions

ASHRM HRM Week is Sponsored by

CHUBB®

IDENTIFY: Identify risks in your department that could be preventable, serious safety events.

COLLABORATE: Talk to your health care risk professional about how you can help avoid these risks.

ADVOCATE: Educate decision-makers in the organization on current best practices and processes that mitigate risk.

LEARN: Learn more about risk management and its professionals. Join ASHRM at www.ASHRM.org today.
